

RCMH Featured Story

Lathrop Facility – De-Install and Used Rack Purchase
Our customer was faced with having to vacate their building in 30 days.

Step 1. Remove Product and start de-install.

Step 2. Stack and Band used pallet rack

Step 3. Clear warehouse of used pallet rack

Final Step - Transport and stock Used Pallet Rack at the RCMH 3 Acre facility

The RCMH Used Rack Division and De-Install Team completed the job in 27 days from Loaded Racks to our 3 Acre Facility. Three Days to Spare!
